Dear Parents/Families,

This month brings many new opportunities for you to become more engaged in your child’s education. The UTSA Office of P-20 Initiatives reminds you that your child can develop a love for learning that will last a lifetime. Please share this information with other parents and let us know if you have any ideas for future topics.

Sincerely,

UTSA Office of P-20 Initiatives

STAAR TEST RESULTS

More than three-quarters of the state’s fifth and eighth graders successfully passed the State of Texas Assessments of Academic Readiness (STAAR®) reading tests, according to preliminary results released by the Texas Education Agency. Every child who takes a STAAR test receives a report of his or her test results. This report is called the Confidential Student Report (CSR). Click here to find out what your child’s results mean: http://tea.texas.gov/student.assessment/explainresults/

VOLUNTEER

Are you looking for a great way to do volunteer work alongside your teen this summer? If so, then visit the United Way United Match support web page. Volunteering will help your children learn about future careers, gain work experience, give back to their community and have fun!
