

TexPREP

The mission of TexPREP is to provide a challenging academic program designing to motivate and prepare middle and high school students for success in advanced studies leading to careers in STEM. PREP is a national program with an emphasis on increasing the number of women and minorities in STEM fields.

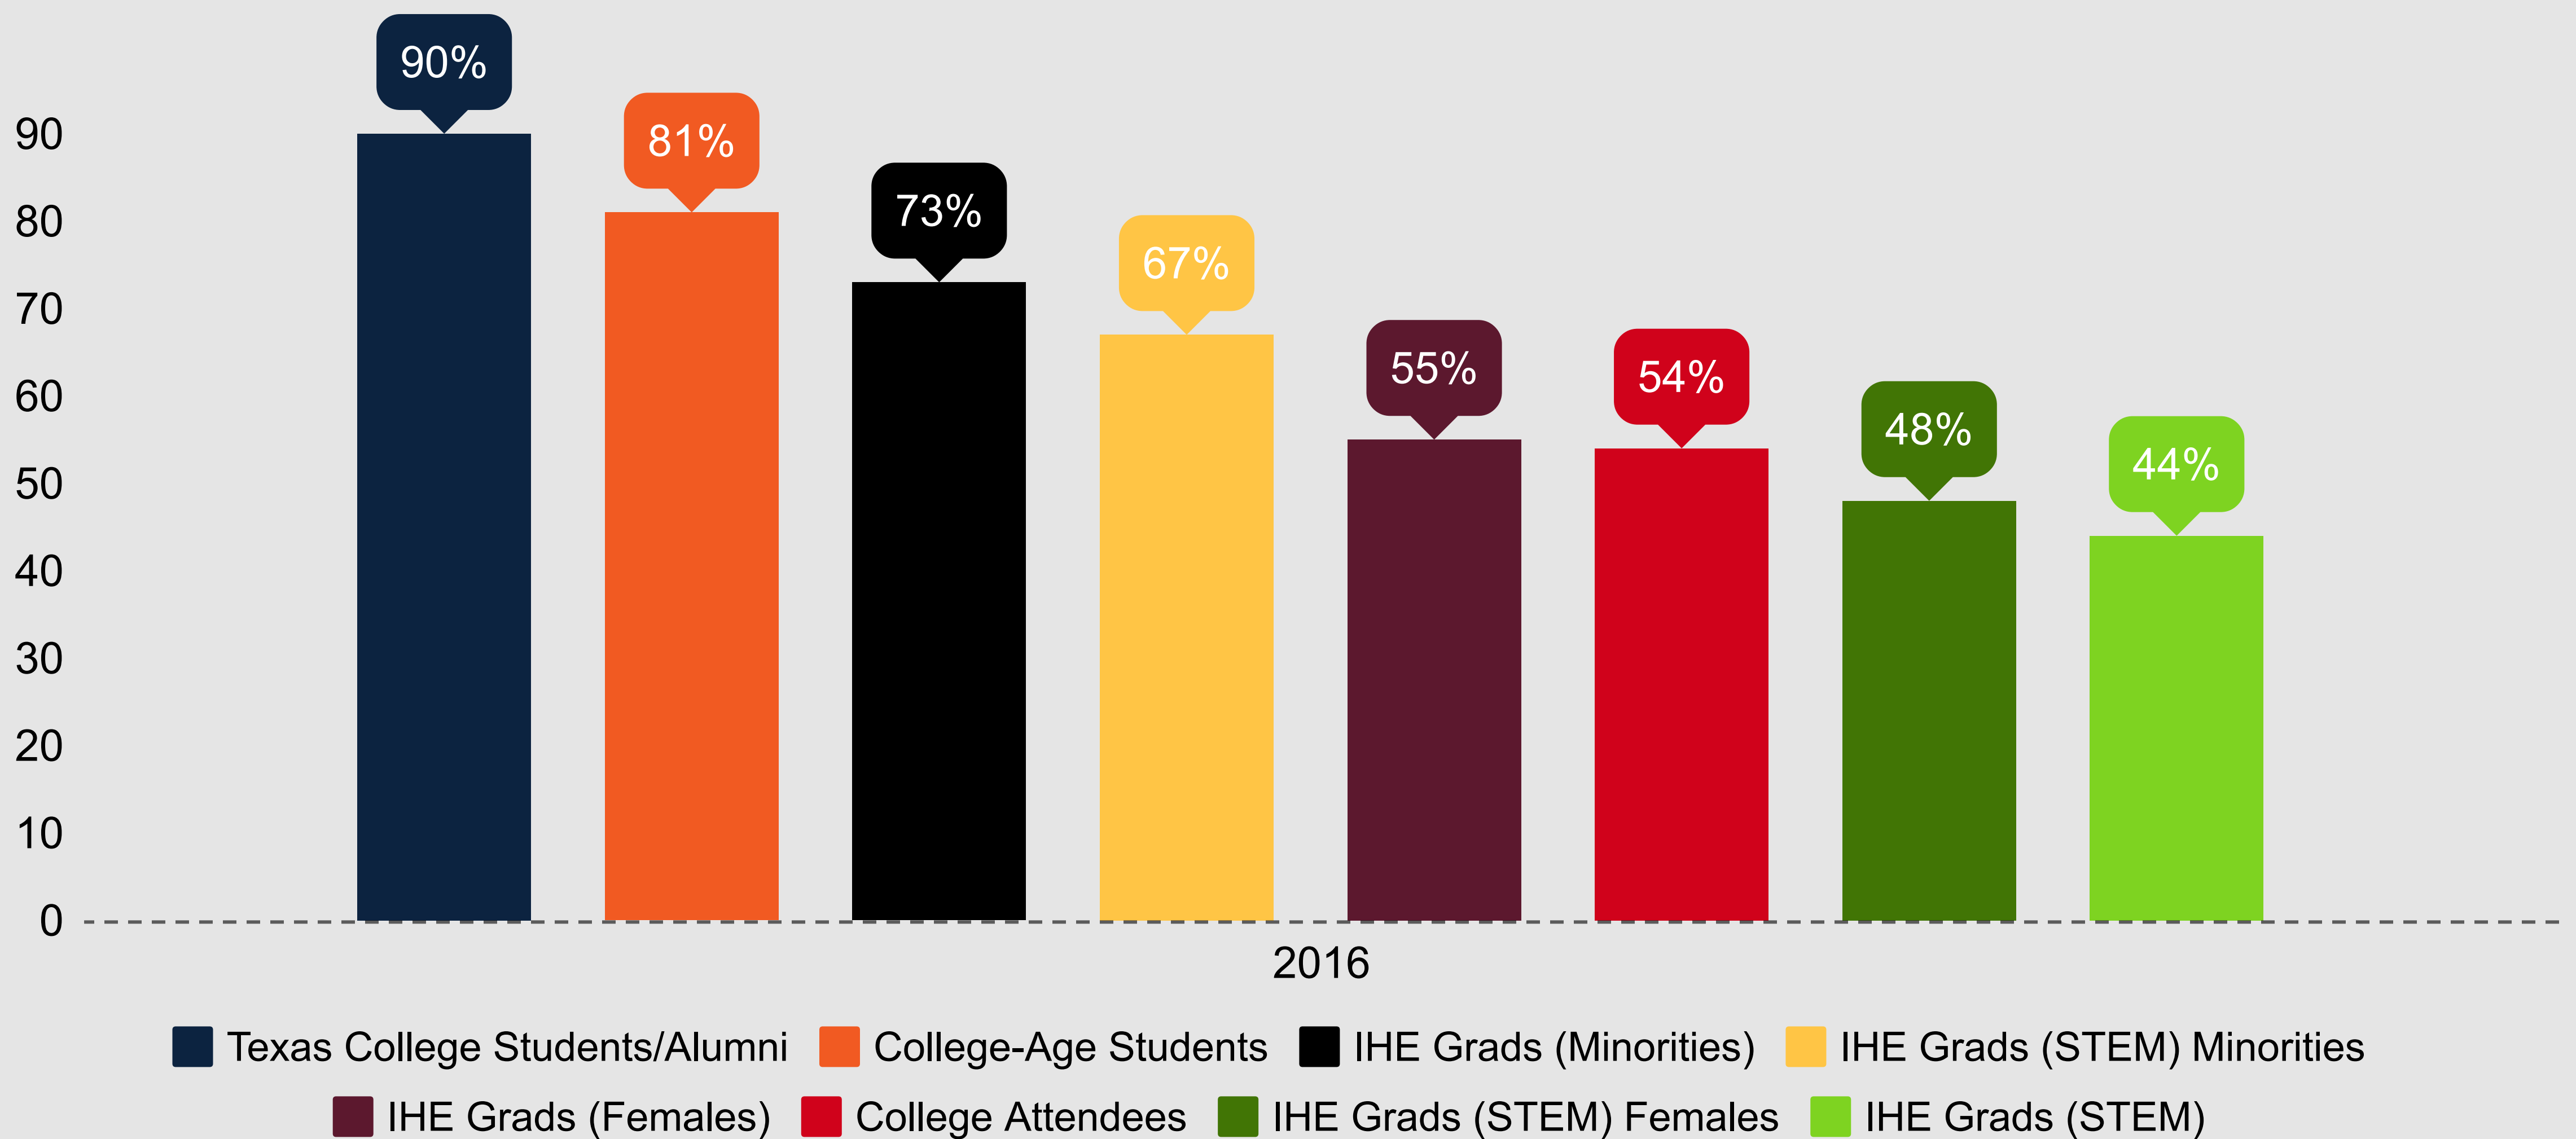

Since 1979, 42,648 middle school and high school students have successfully completed at least one summer component of San Antonio PREP

The following Universities participate in TexPREP's University PREP program

- The University of Texas-Rio Grande Valley
- The University of Texas at San Antonio
- The University of Houston - Downtown
- University of North Texas -Dallas
- Texas A&M International University

Evaluation of 11,485 college-age former students reveal the information above

Data derived from the Texas Higher Education Coordinating Board, National Student Clearinghouse, and student follow-up surveys (last updated 2013).
